Due to typographical mistakes, the inverse decay length of the wave function of localized states near the Fermi level (α) was misused in two places. In addition, we found the mistake in an author's name in Ref. 25.

- (i) **Page 4, left column, 4th line:** α should be replaced by α^{-1} .
- (ii) **Page 4, left column, 9th line:** α should be replaced by α^{-1} .
- (iii) **Page 4, right column, Ref. 25:** R. A. Davis should be replaced by E. A. Davis.
